Fiesta Plans Complete for Event Set for May 12, 13, 14

The red carpet is rolled out at Fermin Lasuen for the first annual Fiesta May 12, 13, and 14. John Perini, general chairman, said today that four months of work will be successfully wrapped up when the big, three day event opens Friday night, May 12, in a burst of floodlights, fun and color.

Mrs. Henry J. Smith, Fiesta co-chairman, added that committee heads have completed their assignments on schedule and are ready to welcome the thousands of expected guests from the harbor, peninsula and neighboring Southland communities.

BENEFIT

Officially sponsored by Las Damas Lasuen and the Padre Club to benefit the library, athletic and operational programs at the school, the Fiesta will provide a wide range of special attractions for all age levels, Mrs. Jackson Pearson, Las Damas president, noted.

Padre Club president Paul Sturdivant, after a final check with booths committee leaders Robert McCarthy, Richard Haggood, Vernon Butcher, and Robert Rados, stated that the midway on the protected Lasuen Plaza is staffed and set. Anthony Demaria, who is in charge of the electrical layout; and Henry J. Smith, director of procurement with Mrs. Peter Sysak, reported their chores finished. William McOsker, rides chairman pointed with pride to the giant ferris wheel and the six other rides installed on the knoll above the Plaza. "Young people will love this," he said, "and I know a lot of grown-ups who won't be able to resist getting a moonlit view of the harbor from the top of the ferris wheel."

Slavko Frielein, who with Mrs. Thomas Ryan, Andrew Svornich, and Mrs. Frielein, will host the Mother's Day

dinner on Sunday, May 14, from one until 7 p.m., disclosed that all is in readiness for the hearty roast beef menu planned by him and his aides. "We're serving our full course dinner in the large Assembly Hall at Lasuen to insure the comfort and convenience of our guests," Frielein commented.

HOT FOOD

Mrs. Robert Rados noted that hot foods will be available throughout the three days of the Fiesta. "We're serving the old favorites including tacos and pizzas," she said, "As well as hamburgers, hot dogs, sno-cones, soft drinks, and, of course, plenty of food,

hot coffee." Robert Truman and Mrs. Harold Erceg, who have the massive task of post Fiesta clear-away, declared that they and their task force are set for action when the curtain falls Sunday night on Lasuen's vast project.

Summing up, Perini said, "All of us at Lasuen are proud of our new boys school, our fast growing student body, and we are most grateful to our faithful Fiesta workers. We look forward with real pleasure to welcoming our friends and guests on May 12, 13, and 14. "We'll see you at the Fermin Lasuen Fiesta!"
